## MS KAIAC Swimming All Star Jamboree

### Rules of Emphasis for Coaches and Judges

For developmental tournaments, officiating is expected to be at a higher level than jamborees due to having more advanced players. Schools are expected to provide adults knowledgeable in the sport to ensure the safety of the players is maintained. Furthermore, referees are expected to strictly enforce rules more so than at jamborees. No warnings will be issued on violations of play. Only issues dealing with sportsmanship may receive a warning. Below are the rules of emphasis:

#### 1. **Tournament Set-up**

- 1.1. Each school will determine the eligibility for the members of its team. Teams may have a maximum of 10 girls and 10 boys for its teams.
- 1.2. The tournament will be run using HyTek Meet Manager. All schools will submit entries when requested.
- 1.3. Points will be calculated using the same scoring system as the HS KAIAC tournament (Section V, Article G, point 14 of the KAIAC Constitution). Here is a brief explanation of points:
  - 20 points for 1st place, 18 for 2nd, 16 for 3rd, 15 for 4th, 14 for 5th, and so on down to 1. Relay points will be double using this system.
- 1.4. All heats are finals. There will not be any preliminary heats.
- 1.5. The host will post scores at the conclusion of the tournament.
- 1.6. Each school is required to provide at least one volunteer.
- 1.7. Program of events will be the same as jamborees, but there will not be any mixed-gender teams.

#### 2. **Disqualifications**

- 2.1. Judges will be used to determine infractions following U.S. Swimming Rules and Regulations. DQs will be used.

## **Swimming All Star Jamboree**

2.2. Disqualifications may result from actions such as not getting to the starting blocks on time, false starting, walking on or pushing off the bottom of the pool, pulling on the lane lines, or having unsportsmanlike behavior.

### **3. Entries**

3.1. Swimmers may enter 2 individual events and 2 relays.

3.2. Teams may enter up to 3 individual swimmers per event.

3.3. Teams may enter up to 2 teams per relay. No swimmer may be on both relay teams for the same event.

3.4. Any known scratches should be communicated in writing to the host upon arrival at the tournament.
